

# Appeal for Support

All the services at Manasa are offered free of cost and most of the beneficiaries are from below middle-class families. Manasa needs financial support to meet its operational expenditure and make the facilities available with consistency to a greater number of needy children with intellectual disabilities.

Manasa requests you to make a generous general purpose or specific purpose donation and support it in taking up and providing above stated services to the needy people. Kindly refer Manasa to your friends and colleagues for extending their support. Your generous contribution goes a long way in providing support and rehabilitation facilities for the needy children with intellectual and other disabilities.

**MANASA**  
 INSTITUTE OF CHILD HEALTH & DISABILITY STUDIES

## About Us

Manasa is a 32 yrs old non-profit charitable organization working for persons with disabilities (PwDs). It was founded in 1991 by a group of women lecturers who were teaching at Raja Bahadur Venkatram Reddy (RBVRR) Women's College, Narayanguda, Hyderabad and it has gradually grown to the form of professional Manasa Institute of Child Health and Disability Studies (MICHADS).

Manasa is committed to promote child health and rights, inclusion and empowerment of PwDs, especially persons with intellectual disabilities. Today, MICHADS is being run in a four storied own building located at Mohan Nagar, Nagole-Kothapet Road, Hyderabad. It is equipped with barrier free premises. It is offering child health and rehabilitation services, clinical and community services, and counseling & guidance to parents of PwDs. Manasa also periodically conducts training, extension and outreach programmes in Telangana and Andhra Pradesh states.

## Services & Facilities

❖ **Child Health & Nutrition Clinic:** It focuses on maternal and child health. It undertakes programmes like multivitamin distribution for pregnant women, immunization, vitamin 'A' for the infants and children, deworming medicines distribution and other mental health programmes.

❖ **Neuro-Developmental Clinic:** It provides neuro-developmental services and rehabilitation for persons with cognitive deficits like intellectual disability (ID) and sensory-motor disorders, Autism, Cerebral Palsy (CP), impairments like visual impairment, hearing impairment, speech impairment, learning disabilities, memory impairments, etc.

❖ **Comprehensive Rehabilitation Services:** Manasa has been providing comprehensive rehabilitation services including Physiotherapy and Occupational Therapy for children with Cerebral Palsy (CP) & Intellectual Disabilities along with guidance and counseling for their parents and families.

❖ **Special Education School:** Manasa has been running a full-fledged Special School since 1991 for children with special education needs on the basis of Individualized Education Program (IEP).

## Training & Research

Manasa organizes various need-based training programmes for needy special children and for capacity development and awareness among the frontline social workers, teachers, and medical & health professionals.

### ❖ Vocational Training Centre for PwDs:

It is working for enhancing the residual abilities of PwDs and training them in suitable skills to facilitate employment or self-employment and independent living.

### ❖ Community Based Rehabilitation :

Manasa periodically undertakes programmes for reaching the unreached with community services, training, and community development activities.

### ❖ Professional Development Courses:

Manasa conducts short term courses and workshops for medical and rehabilitation professionals.
